

Mission of the NCAA Baseball Umpire Program (BUP)

The NCAA Baseball Umpire Program is dedicated to serving the sport of baseball through the training, education, evaluation and development of quality officials who will positively impact the sport of baseball.

Vision

In coordination with member conferences, the BUP is committed to the ongoing process of fairly and consistently elevating the standards of officiating through education, training, evaluations, inclusion and accountability.

Goals

Provide consistent training and education that cascades down to officials through member conferences.

Foster an environment of mutual respect among the national coordinator of umpires, baseball umpire advisors, the director of umpire training, the secretary-rules editor, and conference coordinators, as well as umpires.

Demonstrate exceptional rules knowledge, and consistently evaluate umpires to be considered for championship selection.
